I have the honour to forward herewith a translation of a joint petition presented by about 40 persons to the Namlatdar of Hangal in this District, together with a copy of the Namlatdar's letter forwarding it, for favour of your kind offices.

****

Translation of the application from the villagers of Bammanhalli and the neighbourhood to the Namlatdar of Hangal.

****

We have not had a good harvest these three and four years for want of sufficient rainfall. Last year and the year before last, have fared worst. The state of people in the ~~dark~~ black soil tracts is not to be so much cared for, as they have reaped some kind of crops or the other and have enjoyed the benefit of high prices. But our condition is deplorable. The sufferings of us, the Nallad people, are known to the Almighty alone. In the first place we got no grains from the lands, prices went by from times. Despite this all, grains are not procurable. We feel it difficult to explain the state the poorer classes were cast in, by circumstances aforesaid. We are thankful for the kind Government for having arranged to supply food grains, though for a high price. But we feel quite sorry to explain the miserable lot that befell us in about September last. The price of Ragi per Padi (2 seers) measure rose from (0-3-0) to (1-8-0). The Bazzar could not supply the stock needed even at this rate. One felt it impossible to procure some grain at least at the hands of the few dealers though waited till evening and the time for fasting was approaching. The situation caused public unrest and riots followed in some distances. We remained uncared for, in spite of frequenting the houses of village Officers and Sawkars desparately in crowds of 200 to 300 persons. We then sent up one Baslingappa Hiro to

food grains. He purchased grains at Davengeri but their impd was objected to at Harihar. We applied to the authorities to remove the objection on the ground that the quantity was intended for the poor but to no purpose. We now hear that Baslingappa has been prosecuted. He is a man deputed by us. He has no personal interest on the affair. He purchased grains mainly for our sake and our interest is involved therein. We request that he may not kindly be prosecuted and the ragi or its sale proceeds be delivered to us. His prosecution causes loss to us. We therefore request that he may not be kindly prosecuted.

Dated 12th July 1919.

No. P.S.R. 53 of 1919.

Hangal, 15th July 1919.

Respectfully submitted to the Collector of Dharwar for favour of kind consideration.

2/- On enquiry the Mamlatdar finds that the contents of the above petition are true. There was a great scarcity prevailing in the Taluka and food stuffs were very difficult to procure. As a matter of charity one Baslingappa Halkop went to Lavangeri and purchased ragi there without a pass - probably due to ignorance - now it appears that he is being prosecuted there for breach of Rules under the D.I. Act. The said Baslingappa did not purchase the ragi for profiteering but for charity in order to save the lives of the poors who were starving. Now it is pity that he should be prosecuted. The act of the said Baslingappa may amount to a technical offence But it is unintentional and philanthropic Under the circumstances, the

8

Lamlatday is of humble opinion that the Mysore State authorities may kindly be addressed to refund the price of the said ragi to the said Baslingappa taking a lenient view of the case.

Sir,

With reference to your letter No.G.3970/PP.26-19-18 dated 16th August 1919 calling for a report of facts in the matter of the export of ragi outside the State by one Basalingappa of Halkop, I have the honor to state as follows:-

2. The Food Inspector, Davangere reported to the Deputy Amildar, Harihar on 14th September 1918 that one murigeppa a local merchant of Davangere was exporting to Haveri over 100 bags of ragi without a license and that he was at Harihar with the grain. The Deputy Amildar ascertained on enquiry that the above said Murigeppa and another person Basalingappa of Bommenahalli, Hangal Taluk were the men concerned and that they had with them a certificate granted by the Mamlatdar of Hangal to one Mr. Sakharam Narayan Mutalik Desponde to the effect that he was a member of the society at Bommenahalli formed for the purpose of selling food grains to the poor at cheap rates. The Deputy Amildar reported the above facts to the Sub Division Officer in his report No. 212 dated 16th September 1918 with a recommendation that the offenders may be prosecuted.

3. By the time the above report reached the Sub Division Officer Basalingappa presented an application dated 16th September 1918 before that officer alleging that he was the agent of Mr. Sakharam named in the certificate, which he thought was a sufficient permit enabling him to export the food grain and that he was not aware of
